

KM International has partnered with Blacktop Banter to bring customers a special edition sealcoat unit like no other.

This special edition unit not only looks the part but also is designed and manufactured with our end users in mind and includes key features making it the industry's most user friendly, and reliable sealcoat rig.

This unit is available in 550 and 700 Gallon Capacities.

**FEATURES:**

- Water Tank
- Brush Box
- Tool Rack
- Work Lights
- Custom Rims
- Access to BBSG

**BLACKTOP BANTER EDITION  
SEALCOAT UNIT**

**Blacktop Banter**

*"WE SPEAK ASPHALT."*

The Blacktop Banter sealcoat unit comes with lifetime access to the Blacktop Banter Success Group (BBSG). The BBSG is a "mastermind" group of peers in the asphalt industry. The BBSG has a Facebook group AND private message thread where conversations involve advice, guidance, and discussions of both business and personal issues.

The BBSG meets three times a month via Zoom for conversation and educational presentations given by group members and guest including professional athletes and business leaders. You will also have access to the Blacktop Banter Vendor Discount Program, which includes large discounts from top industry vendors.

Lastly, you will have access to Blacktop Banters founder, Marvin Joles, and 24/7 support in the chat group to assist in any issues that may arise. Your success will be celebrated and your community will push you to succeed in all aspects of your journey in the asphalt industry, as we believe **"A RISING TIDE LIFTS ALL BOATS"**.
